USING THE FACIAL COSMETIC BRUSH

The cosmetic brush is used for intensive and mild cleaning of the face.

Open the adapter (24) to the device (25) as indicated above:

- Attach the cosmetic brush (17) to the spindle adapter (25).

- Remove the protective sleeve from the nail.

- Apply deep cleaning cream or gel to the brush.

- Turn on the device using the power switch (25).

- Use a circular motion to treat the skin of your face, avoiding the eyes.

- When finished with the procedure, remove any excess cleaning cream or gel and wipe your face with a toning lotion.
